Attention Texas Outdoor Oasis Customers,

It has come to our attention that in the recent April publication of Ad Pages Magazine, there was an error in one of the coupons. The first coupon offer was meant to say \$500.00 Off or a Free Big Green Egg with New Pool Construction or Full Remodel (Tile, Plaster and Coping).

Texas Outdoor Oasis is in no way responsible for the error, and we at Ad Pages accept full responsibility and apologize for any inconvenience it might have caused.

Sincerely,

Ad Pages Magazine Customer Service Dept.
